RESPONSE

The following is in response to the non-final office action mailed August 1, 2007.

Remarks

Record is made of a conference had with the Examiner in charge of this application and the Examiner is thanked for the courtesies extended by her to the applicant at the conference in the resulting discussions. As a result of those discussions applicant submits a terminal disclaimer for overcoming the rejection of claims 1-3 and 12 avoiding the rejection on nonstatutory double patenting over U.S. Patent No. 6,760,371.

It is submitted that the application is in condition for formal allowance and notification to this effect is respectfully requested.

Respectfully Submitted,
Attorney for Applicant
